

MRS. MARY MORRELL, PIONEER RESIDENT OF THE VALLEY, IS DEAD

Mrs. Mary Morrell, 59 years of age, pioneer resident of the valley, died Monday, April 26, at Los Angeles at the home of her daughter, Mrs. P. H. Marlette, after an illness that had extended over nearly two years.

Born in Minnesota, Mrs. Morrell came to Arizona 23 years ago and ever since that time has lived within a few miles of Phoenix. For some years she took active charge of the ranch four miles northwest on the Black Canyon road. Well-known in the valley, Mrs. Morrell had many friends who will learn with sincere regret the passing of this pioneer woman.

Beside the husband, Matthew Morrell, there survive six daughters and two sons. The daughters are: Leona Hauolot, a teacher in the Tempe Normal; Mrs. P. H. Marlette of Los Angeles; Mrs. F. E. Marlette, who lives on Maryland avenue; Emily Hauolot, a teacher in the Alhambra schools; Helen Hauolot, who six months ago gave up a position as teacher in the Jerome schools to care for her mother and Gertrude Hauolot, a pupil in the Tempe normal. The sons are: Leon Hauolot, who was in France with the A. E. F., and Alfred Hauolot.

It was the breakdown which the mother suffered when her son, Leon, left for France and the world war first developed into the illness that caused her death two years later. About a month ago Mrs. Morrell went to Los Angeles to the home of a daughter in the hope that the change might benefit her health.

Funeral services will be held Friday morning at 8:30 o'clock at St. Mary's church. Interment will be in the Catholic cemetery.

JUDGE WM. G. BLAKELY DIES AT KINGMAN

Judge William G. Blakely, a pioneer resident and well known throughout the state, died at his home in Kingman a few days ago, according to word received by Phoenix friends yesterday. Judge Blakely, who was 61 years of age at the time of his death, has been prominent in public life in Arizona covering the period of his residence which dates from 1871. He represented his county in the council of the twenty-fourth territorial legislature and served as district attorney of Mohave county, probate judge and judge of the superior court for a number of years.

Judge Blakely was born in New York August 29, 1859, where he received his early education. He was among the ambitious easterners who went to California in '49, going later to Carson City. In California and Nevada he engaged in mining and was given credit for the discovery of the famous Eureka mine. He was later ordained a minister of the Methodist church but did not follow the church as a profession, taking up the practice of law. Coming to this state he did pioneer work in building up the country and was particularly active in developing the educational plant. A republican in party affiliation, his popularity was demonstrated by his election to every office he sought in a democratic community.

Judge Blakely is survived by a son, Ross Blakely, and several grandchildren.
